Pursuant to section 1901.14(A)(4) of the Ohio Revised Code, the following report, relative to the operation of the Huron Municipal Court for the year 2020 is respectfully submitted.

MISSION STATEMENT

The Mission of the Huron Municipal Court is to provide a fair, impartial, and efficient resolution of the matters brought before it, without unnecessary delay, in a courteous manner.

DEPARTMENTAL GOALS

The Municipal Court is committed to providing fair and impartial resolution of all issues in a manner that is efficient for all parties involved. The Municipal Court is also committed to ensuring that defendants strictly comply with all judicial orders. Finally, the Huron Municipal Court is committed to operate the court well within the boundaries of its budget, and to report in a timely manner all revenues and expenditures to the appropriate agencies, thereby earning and maintaining the public's respect, confidence and satisfaction.

MUNICIPAL COURT

The Constitution of the United States and the Ohio Constitution both established three separate branches of government: the Executive, the Legislative and the Judiciary. The doctrine of “separation of powers” is embodied in the framework of the Ohio Constitution, the U.S. Constitution, and the system of representative government and constitutional democracy. The authority to operate the court and make determinations as to the appropriate level of funding needed to operate the court, are decisions that are within the exclusive authority of the courts. These are matters about which the courts have the constitutional obligation to protect and preserve from interference from another branch or level of government. These principles are at the heart of the separation of powers framework endorsed by the Founding Fathers in the Federalist Papers, and evident in the Federalist Paper #52:

In order to lay a due foundation for that separate and distinct exercise of the different powers of government, which to a certain extent, is admitted on all hands to be essential to the preservation of liberty, it is evident that each department [branch of government] should have a will of its own....The great security against a gradual concentration of the several powers in the same department [branch of government], consists in giving to those who administer each department, the necessary constitutional means, and personal motives, to resist encroachment of the others....Ambition must be made to counter ambition. (Federalist #52)

The creation and maintenance of the municipal courts is reserved to the General Assembly pursuant to Ohio Const. art. IV, §1. The Huron Municipal Court was established in 1968 pursuant to Ohio Revised Code 1901.01.

The Huron Municipal court is a single judge court where the part-time Judge acts as both the Presiding and Administrative Judge. The Judge serves a term of 6 years. The court employs one (1) full time Clerk of Court/Court Administrator and one (1) full time Deputy Clerk/Probation Officer and one (1) full time Deputy Clerk for the Civil Division.

Core Purposes of Courts : (as described by the Institute for Court Management)

1. To Do Individual Justice in Individual Cases
2. To Appear To Do Individual Justice in Individual Cases
3. To Provide a Final Forum for the Resolution of Legal Disputes
4. To Protect Individuals from the Arbitrary Use of Government Power
5. To Provide a Formal Record of Legal Status
6. To Deter Criminal Behavior
7. To Rehabilitate Persons Convicted of Crime
8. To Separate Convicted Persons from Society
9. To Protect the Weak Against the Strong

Clerk of Court's Department:

The clerk shall do all of the following: file and safely keep all journals, records, books, and papers belonging or appertaining to the court; record the proceedings of the court; perform all other duties that the judges of the court may prescribe; and keep a book showing all receipts and disbursements, which book shall be open for public inspection at all times. The clerk shall prepare and maintain a general index, a docket, and other records that the court, by rule, requires, all of which shall be the public records of the court. In the docket, the clerk shall enter, at the time of the commencement of an action, the names of the parties in full, the names of the counsel, and the nature of the proceedings. Under proper dates, the clerk shall note the filing of the complaint, issuing of summons or other process, returns, and any subsequent pleadings. The clerk also shall enter all reports, verdicts, orders, judgments, and proceedings of the court, clearly specifying the relief granted or orders made in each action. The clerk of a municipal court shall receive, collect, and issue receipts for all costs, fees, fines, bail, and other moneys payable to the office or to any officer of the court. The clerk shall on or before the twentieth day of the month following the month in which they are collected disburse to the proper persons or officers, and take receipts for, all costs, fees, fines, bail, and other moneys that the clerk collects. Moneys deposited as security for costs shall be retained pending the litigation. The clerk shall keep a separate account of all receipts and disbursements in civil and criminal cases, which shall be a permanent public record of the office. The clerk shall have other powers and duties as are prescribed by rule or order of the court.

State law mandates that this department collect and disburse monies and maintain the records of the court. This department processes matters for and provides information to the Huron Police Department, State Highway Patrol, Ohio Bureau of Motor Vehicles, Erie County Sheriff, civil litigants, attorneys, prosecutors, criminal defendants, The Supreme Court of Ohio, The Bureau of Criminal Identification and Investigation and all other law enforcement agencies.

Money is paid into this department as fines and costs on traffic, criminal and civil cases. In 2020, the Huron Municipal Court experienced, for the first time ever, a deficit in the General Fund for expenses versus revenue. The effects of the world wide pandemic were not lost on this court. The number of cases decreased significantly as officers and agencies strived to adhere to social distancing guidelines. Civil cases also declined as litigants were hesitant to file against persons whom are suffering through this global health emergency. The Court took as many measures as possible to decrease expenditures while adhering to the Supreme Court Justice's mandate that court are essential and must stay open to allow persons' access to justice. Court personnel struggled to maintain a balance between service to the public and the health and safety of the employees. The end result was a deficit of \$6,079.00 in the General Fund.

As required by statute, fines and costs were distributed to the various law enforcement agencies, state agencies and to the City of Huron and are shown in the following pages.

The Clerks' office is ever grateful for the cooperation received from the municipalities of this court district, other courts and law enforcement agencies. The clerk's office looks forward to assisting you in the coming year. We would also like to take this opportunity to thank those who have contributed to the continued success of the court.

* The City of Huron is reimbursed for 40% of the Judge and Clerk's salaries and benefit compensation as prescribed by the Ohio Revised Code whereas, 100% of this expense is budgeted for in the court's budget.

**Court costs are established by the Presiding Judge and set forth in a standard fee schedule. A great misconception is that court costs are established to support the operation of a Municipal Court; however, the majority of costs are established by the Ohio Legislature and are sent to the State of Ohio at the close of every month. Court costs for the Huron Municipal Court are \$95.00 per case, of this amount the court contributes only \$44.00 and \$47.00 from traffic and criminal cases, respectively to the General Fund. Civil Filings fees are again, established by the Presiding Judge and state fees are collected in these as well. For a civil filing fee of \$110.00, \$75.00 goes to the General Fund and for a small claim filing of \$75.00, \$55.00 goes to the General Fund.

***City Ordinance Fines are all fines collected from offenses cited under the City Codified Ordinances; through the Huron Police Department.

Court Special Funds

The court has four special funds that have been established. These funds are held by the City of Huron for the use and purposes set forth by statute. Monies can only be expended upon court order.

Indigent Alcohol Fund: The Indigent Alcohol Fund is a statutory fund, established under Ohio Revised Code Section 4511.191(H)(1) and provides that the court may order the use of these funds for payment of the cost of the attendance at an alcohol and drug addiction treatment program of a person who is convicted of an OVI offense and who is determined by the court to be unable to pay the cost of attendance at the treatment program. Collections for this fund come in two forms, from defendants who plead to a conviction of OVI and from the State of Ohio department of public safety as a portion of reinstatement fees paid. The total of these funds are reported to the Ohio Department of Mental Health and Addiction Services through the Mental Health and Recovery Board of Erie and Ottawa Counties. As of December 31, 2020 this fund holds a balance of \$160,692.32.

Ignition Drivers Interlock and Alcohol Monitoring Fund: Pursuant to RC 4511.19(I)(1) the Court has established a Special Projects Fund called the Indigent Drivers Interlock and Alcohol Monitoring Fund. Fifty dollars of the fine imposed for certain repeat OVI offenders are to be deposited into this fund and are used exclusively to cover the cost of immobilizing or disabling devices, including certified ignition interlock devices, and remote alcohol monitoring devices for indigent offenders who are required by a judge to use either of these devices. Again, collections for this fund come from two sources: convictions for an OVI and portion of reinstatement fees paid through the State of Ohio. The fund balance as of December 31, 2020 was \$77,295.93.

Court Computer Fund: This fund was established in 1998 in accordance with Ohio Revised Code Section 1901.261(A)(1). The court collects \$10.00 per case to fund this account, allowing the court to be independent and not place a burden on its funding authority. The balance in this fund as of December 31, 2020 is \$101,002.08.

Court Improvement Fund: This fund was created in 1998 in accordance with Ohio Revised Code Section 1901.26(B)(1). The court collects \$9.00 per case to fund this account, again, allowing for the court to expend monies upon court order and to alleviate any burden upon the funding authority. The balance as of December 31, 2020 is \$198,719.81.

SPECIAL COURT FUNDS Accounting for 2020

	<u>Computer Fund</u>	<u>Capital Projects Fund</u>	<u>Ind Alc Trtmnt</u>	<u>Ind Int & Alc Trtmnt</u>
Revenues:	\$ 10,106.00	\$ 10,536.00	\$ 2,987.00	\$ 1,854.00

Jury Service

In order to keep a current docket and for the efficient operation of the court it is necessary to have jurors available and jury trials scheduled on a regular basis. Jurors are randomly chosen from voting lists. We take this opportunity to thank the many citizens who were called for jury duty this past year, for their service to this court and to the community.

TRENDS

TRAFFIC OFFENSE TRENDS

From the above trends you can see that there is a shift where the court is receiving the bulk of its' traffic citations. Ohio State Highway Patrol from 2013 to 2020 went from 54% of our citations to 72%; whereas the Huron Police Department went from 30% to 13%. HPD citations have fallen from 1,033 to 186 since 2013. The Erie County sheriff's office has remained relatively steady since 2013.

CRIMINAL OFFENSE TRENDS

From the above trends you can see that there is a shift where the court is receiving the bulk of its' criminal offenses. The Erie County Sheriff's Office from 2013 to 2020 went from 47% of our citations to 52%; whereas the Huron Police Department went from 40% to 27%. HPD citations have fallen from 410 to 97 since 2013.

HURON MUNICIPAL COURT DEPARTMENT OF PROBATION

The Huron Municipal Court Probation department was established in 2010 and is a self-sustaining department. The department offers many services: holding defendant's accountable, helping victims seek full restitution and offering solutions to individuals who struggle with addictions. This community control department monitors offenders to ensure compliance with their court ordered requirements. The Court collects fees from defendants who are placed on probation to support these efforts. Since its' inception, this department has remained self-sustaining. The ending balance of this fund as of December 31, 2020 is \$1,239.02.

The probation officer is also a deputy clerk for the Huron Municipal Court. It is considered a 40/60 full-time position. The probation officer's salary and benefits are split 40% by the General Fund and 60% by the Probation Fund. At the conclusion of 2020 the probation officer was supervising approximately 159 probations in varying stages of their probation requirements.
